Regular Meeting Jan'y 26, 1861

The regular monthly meeting of Kickmackett Engine Company No. 1. was held at their Engine House on Saturday Evening January 26<sup>th</sup> 1861 and was called to order at 7<sup>th</sup> o'clock by the Foreman -

The roll was then called and fines collected -

Geo. H. Palmer, appointed at the last meeting to settle with the former Clerk and Treasurer submitted the following report which was accepted and the Committee discharged -

Report

" To the members of Kickmackett Engine Company No. 1. of Rutland -

" Your Committee appointed to audit the accounts of M. Quinn and R. Barrett, former Foreman and Clerk of the company respectfully reports that he has attended to his duty and finds that M. Quinn should be charged with the sum of \$167.00, it being the amount collected by him on the subscription for Uniform; and that he should be credited with the sum of \$167.00 it being for money paid out by him as follows

" Bal. on Caps \$2.60	Whitcomb Engine pole 2.50	5.10
" Express on Horse 5.97,	Waste .50	Stearns for Uniform 11.00
" Cash pd R. Barrett Clerk \$117. + 26.50 + 93		144.43
" Total		\$167.00

" and there is no money of the Company in  
 " his hands -  
 " Your Committee further finds that R Banett  
 " should be charged with the sum of \$220.29 for  
 " money received by him as follows.

" For fines received to date	\$30.86
" " subscriptions " " "	45.00
" Recd of M Quin \$117 + 26.50 + 93	144.43
" Total	\$220.29

" and that he should be credited with the  
 " sum of \$220.29, it being for money paid  
 " out by him as follows

" Paid Cain & McLean 1.50 + 3.00 = 4.50 Rubber suits <sup>\$17.00</sup> for Hosemen	21.50
" " for Fire Hats 35.63, Paid Chaffee towards shirt 33.	68.63
" " for Belts 55.00 " of Little 36.	91.00
" Banett's bill 35.3. " H R Dyers bill 9.25 -	12.78
" Hodges & Omen's Omen's bill 3.21. " Conform note at Bank 23.17	26.38
" Making a total as above	\$220.29

" and thus balancing his account -

" There are now accounts against the Company  
 " for which they are liable to the amount  
 " of about \$113.78 as follows

" E Reynolds bill 8.82 Pond & Morse 1.27	10.09
" S. G. Staley's " 1.42 S. G. McClure 31	1.73
" F Fenn. " 1.83 M. Stearns 13.13	14.96
" Saml Williams " 500 Note at Bank <sup>about</sup> 82.00	87.00
" Total	\$113.78

" Of this amount it is expected that the  
 " Village will pay at least \$75.00  
 " also Express on horse paid by M Quin & included in his bill 5.97  
 " making in all the sum of \$80.97

" and still leaving a balance against the Company  
 " of about \$33.81

" To meet this deficiency there is apparently  
 " due on the Subscription \$47. and for fines  
 " the sum of \$23.75 - making in all the sum  
 " of \$70.75, of which, it is estimated by the  
 " former clerk that only ten dollars will be  
 " realized, which estimate seems to your Committee  
 " to be sufficiently low - at the annual meeting  
 " of the Company M Quin and R Banett were  
 " appointed a Committee <sup>the balance due on</sup> to collect the old  
 " Subscription and also on old fines; as to how  
 " much they have collected of the above sum of  
 " \$70.75, your Committee would refer to  
 " their report to be made at this meeting; and  
 " would recommend, in case nothing has been  
 " collected of said sum, that that Committee  
 " be extended, and that full power be given  
 " them to settle the whole matter upon such  
 " terms as they may judge best for the interests  
 " of the Company, as no complete settlement  
 " can be made until this is done, and as  
 " another season for this course, it seems to  
 " the Committee, that enough ought to be re-  
 " alized from said sum to pay the whole  
 " indebtedness of the Company at the present  
 " time, and thus leave future receipts to pay  
 " future liabilities of the Company.

" There also appears from the papers of the

"former Clerk, to be due to various members  
 "of the Company for premiums the sum of  
 "ten dollars (and towards this sum there have  
 "been offsets, by way of fines and subscrip-  
 "tions to the amount of \$5.41 leaving a balance  
 "against the Company, on this account,  
 "of \$4.39 - This has not been included a-  
 "mong the other liabilities of the Company  
 "as the general custom has been to give credit  
 "for these premiums, and charge fines and  
 "subscriptions as an offset thereto, but should  
 "this sum be charged with the other liabilities  
 "of the Company, they would instead of  
 "\$32.81 amount to the sum of \$37.20  
 "All of which is respectfully submitted -  
 "Geo. H. Palmer, Aud. & Com. to settle  
 "with Clerk & Foreman

"Putland Jan'y 26, 1861 - "

"Upon motion of Mr. Everett the above  
 report was ordered to be recorded -

Mr. Barrett made a verbal report con-  
 cerning arrearages of fines and subscrip-  
 tions -

"Upon motion of Saml Williams it was  
 voted that the Committee appointed at  
 the last meeting be extended and that  
 they be instructed to settle all arrear-  
 ages upon such terms as they judge

best for the interests of the Company

"Upon motion of Mr. Quin the following bills  
 were approved, and it was voted that  
 orders be drawn for the same -

E Reynolds bill	\$8.82
Pond & Morse "	1.27
S. J. Staley "	1.42
J. J. McBaine "	31
F. Ferris "	1.83
A. J. Stearns "	13.13
Saml Williams	5.00
Note at Bank about	\$5.67

"Upon motion of Mr. Barrett it was voted  
 that a Committee of three members be  
 appointed to report at the next meeting  
 a list of persons to be elected Honorary  
 Members of this Company -

The Foreman appointed the following per-  
 sons to act on this Committee

Rockwood Barrett

Wm. B. Thrall

A. F. Page

E Reynolds resigned his office as First  
 Assistant Foreman, and the Compa-  
 ny were notified thereof, and that  
 an election to fill said vacancy would

be held at the next regular meeting -

Mr E Reynolds then withdrew from the Company, giving notice thereof in writing accompanied by a certificate from the Clerk that all fines and dues were paid

Notice was given in writing that a motion would be made to amend the by laws by adding the following words to Section 1 of Article III, "provided that if at any such election, any officer be promoted, his office may be filled at the same meeting at which the vacancy occurred"

After calling the roll the meeting was dissolved -
